TE KAWAU ROOM

The Te Kawai Room is a beautifully elevated space, designed to make the most of its natural surroundings. Flooded with light through expansive wraparound windows, and softened by sheer curtains, the room feels warm, romantic and effortlessly elegant throughout the day. Step out onto the private balcony and take in sweeping views across the water to Rangitoto — a stunning backdrop for photographs and quiet moments away from the celebration.

Whether you're planning a refined seated reception or a vibrant cocktail-style celebration, the Te Kawai Room offers the flexibility to bring your vision to life. The space can host up to 200 guests for a banquet-style wedding or up to 350 guests for a cocktail reception, allowing you to tailor the atmosphere to suit your style and guest list.

The room has been thoughtfully designed with weddings in mind, including discreet ceiling drop points for draping and styling, giving you the freedom to transform the space — from soft, flowing fabrics to statement installations. As the celebration unfolds, the in-room bar and full audio-visual capabilities ensure a seamless experience, from heartfelt speeches to music and dancing late into the evening.

Elegant yet versatile, the Te Kawai Room provides a refined canvas to create a wedding that feels uniquely yours, all set against the natural beauty of the waterfront.

COMBINED ROOMS

Intimate, versatile, and beautifully framed by ever-changing coastal views, the combined RAYC and Rangitoto Rooms create a stunning setting for a wedding celebration. With Orakei Marina and the city skyline on one side — often glowing at sunset — and the harbour with Rangitoto on the other, the space captures the very best of Auckland’s waterfront from every angle.

Expansive glass sliding doors open the room to the outdoors, creating a seamless indoor-outdoor flow that fills the space with natural light and fresh air. As the sun sets behind the city skyline, the room is bathed in a warm, golden glow, offering a truly magical backdrop for your ceremony, cocktail hour, or intimate reception.

The combined rooms can accommodate up to 80 guests for a seated celebration or up to 180 guests for a cocktail-style wedding, making it ideal for smaller, more personal gatherings. The space works beautifully for your ceremony, a relaxed reception, or as a pre-reception area where guests can enjoy canapés or a grazing table before moving through to the Te Kawau Room for your main celebration.

Elegant yet relaxed, this space allows you to shape the flow of your day — from heartfelt vows, to sunset drinks, to an effortless transition into your reception — all within a setting defined by light, water, and city skyline views.
