Te Kawanu Room

The Te Kawanu Room is a beautiful 360sqm room with panoramic views of the harbour and Rangitoto. Sliding glass doors the width of the room open onto a private balcony, perfect for enjoying a gentle sea breeze and taking in the spectacular scenery.

Our in-house AV system with large projectors at each end of the room, microphones and sound system cover most events, or for something a little extra Edwards Sounds are on hand to make your event spectacular. Air conditioning will keep the temperature perfect all year round.

The room has two built-in bars that pay homage to the old Royal Akarana Yacht Club building and our experienced bar team will make sure a cold drink is always at hand for your guests.
